Sample Child Tax Credit Refund Amounts at Various Income Levels

These charts are not tax tables. They are presented to give you a rough idea of the amount of the “Additional” Child Tax Credit refund at various income levels. These are the refund amounts that families will receive even if they have no income tax liability or after all their income tax, if any, is eliminated by the basic Child Tax Credit. *Note: Families with larger incomes or more children than shown here may also receive refunds.*
