Benefits of Supporting the Center

By supporting the Center on Budget and Policy Priorities at the **Contributor level**, you will receive standard updates on the Center's work and a copy of our Annual Report.

At the **Friend level**, you will receive the updates listed above and invitations to our "Inside Policy" briefings (via telephone). These calls are similar to the Center's media briefings, which offer an insider's view on a timely policy issue.

Associate level donors receive all the benefits listed above as well as bi-monthly emails about Center analyses on important policy developments.

For **Leader and Founder's Circle** donors you will receive the benefits listed above, invitations to special events, and you will have the opportunity to meet with one of our policy experts (in person or by phone depending on geographic location.)

For more information about any of these benefits for donating to the Center, please contact Kathryn Greenberg at Greenberg@cbpp.org or Shelley Davis at Davis@cbpp.org.
