“We both value CBPP's commitment to rigorous analysis and focus on policy impact on low-income Americans. CBPP holds a unique place in the policy landscape and having worked at a national children’s advocacy organization for a brief period, I know how many advocates depend on your analysis for their own work.’ – Ariel Hayes

“While the Center has a solid set of “number crunchers,” it is not an ivory tower think tank; it’s strategic and thinks very deeply about opportunities and threats and how to address them.”
