

TANF Cash Assistance Should Reach Many More Families in Ohio to Lessen Hardship

In 2019-20, for every 100 families living in poverty in Ohio, only 25 received TANF cash assistance. This “TANF-to-poverty ratio” has fallen 64 points since 1995-96. If TANF reached the same share of families in poverty that its predecessor AFDC did in 1996, 133,078 more families in Ohio would be helped by TANF now.
