

Rhode Island

Rhode Island Treats Working-Poor and Near-Poor Families Under Its Income Tax Better Than Most Other States

Rhode Island's 2006 income tax threshold

Rank among the 42 states with income taxes

(The income level at which families begin paying income tax)

(1 = lowest threshold)

- For single-parent families of three: \$28,500 37
- For two-parent families of four: \$31,500 37

Rhode Island's 2006 income tax levied on working-poor and near-poor families

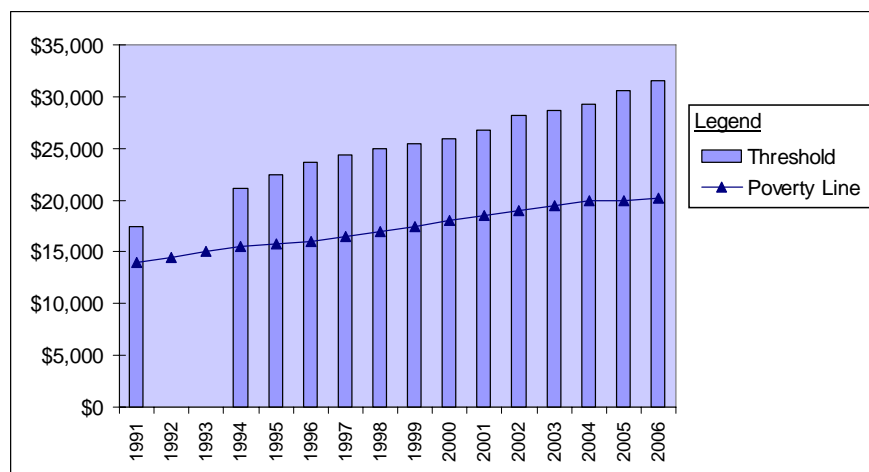

Rank (1 = highest tax)

- For families of three with incomes at the poverty line (\$16,079): \$160 refund 32
- For families of four with incomes at the poverty line (\$20,615): \$140 refund 33
- For families of three with minimum-wage earnings (\$14,648): \$170 refund 31
- For families of three with incomes at 125% of poverty line (\$20,099): \$114 refund 34
- For families of four with incomes at 125% of poverty line (\$25,769): \$77 refund 39

Rhode Island has increased its tax threshold relative to the poverty line.

- In 1991, a family of four owed tax when its income reached 25 percent above the poverty line. Rhode Island's tax threshold is now 53 percent above the poverty line.
- Rhode Island is one of eleven states that provide an income tax refund to both three- and four-person families with earnings at the poverty line.

Income Tax Threshold for Family of Four
